TRAINING AND PLACEMENT POLICY

(Academic Year 2025-26)

Students of 2025-2026 passing out batch are hereby informed to understand the following policies, rules and regulation with respect to training and placements and shall submit the declaration form accordingly.

Section 1: Guidelines for students who opt for placements

1. We follow the single offer policy (Department placements included). However, if the package is double the package in hand or greater or if the core company drive happens (for non-IT students), students can go for the second offer.
2. In a special case, all the eligible students are allowed for drives with package Rs.15LPA and above, until one time placement.
3. If students have two or more offers at the same time because of parallel recruitment process, he/she can attend drives which are double the package in hand with highest CTC or greater or if the core company drive takes place.
4. If a student gets two or more offers at the same time and declines others, with one in hand, it will not be penalized. However, the student should not give his/her consent/acceptance to two or more companies. If a student gives acceptance to two or more companies then the candidate is liable to pay Rs.5,000/- per company acceptance as a penalty.
5. If a student has opted out of placement and later wishes to opt for placement drives, a fee of Rs.5000/- will have to be paid.
6. Trainings conducted from TAP department are compulsory for all the opted students.
7. Students are advised to go through the job description carefully and then apply, only if they agree with the terms and conditions of the company. Students shall do a detailed study about the company and the role offered before applying.
8. Attending the drive after applying for the company is mandatory.
9. Students shall come in formals, carry two sets of updated resume, fully charged laptop and passport size photographs, whenever there is on campus placement drive.

10. All the students interested for placement are required to update their information in Superset placement portal on time and request for validation.
11. All the students shall update their personal & academic details, mark sheet (after every semester), resume etc., in the superset portal regularly. If a student does not update information on Superset placement portal on time or if the data is found to be incomplete, he/she will not be considered for recruitment drives.
12. It is the responsibility of the student to be active on their email ID and phone number submitted on Superset placement portal, check mails, SMS, notifications and circulars regarding training and placement daily.
13. Students will be shortlisted based on company's eligibility criteria. Such students will receive email/SMS/WhatsApp message and notification on the portal to apply for the drive.
14. Attending Pre-Placement Talks to know about the complete information about the company and job profile is mandatory to all the applied students.
15. If an eligible student does not apply for drives (branch specific) continuously for three times, then his/her name will be removed from placement database considering him/her to be not interested in placements or a valid reason has to be intimated to the TAP Department in advance.
16. Applied students are required to attend the drive compulsorily. If student fails to appear on the day of the placement drive after applying for the drive, he/she will not be allowed for further drives and will be blocked in the placement portal.
17. No student shall try to contact the HR or any other technical team of a company during the placement process on their own. Any clarifications required, students should reach out to the company only through the TAP department.
18. Internship offered by the company where the student is placed, is taken as an offer count.
19. Students completing the internship by the offered company is mandatory and will be accounted for academic grades.
20. Internship declaration form shall be submitted to TAP department before the student gets onboarded for the Internship.

21. If any student gets an off-campus internship offer/ placement offer, during their academic period, such students shall keep the TAP department informed about the same.
22. If a student receives the offer letter/LOI/internship letter directly from the company, such students are required to submit a copy of the same to the TAP department immediately without fail.
23. Once the student is onboarded to the company, the TAP department holds no responsibility regarding company procedures.
24. If any student is found copying during the interview process or receives any such complaints from the company, such students will be blocked completely from taking any further placement opportunities.
25. Arguing with company representatives or any disciplinary act by the student during the placement process (ex: rejecting to join the company during technical / HR interview in front of the interviewer or telling the company people not to issue the offer letter after selection etc.,) shall be viewed very seriously and strict action shall be taken against such students. A penalty of Rs.5000/- will have to be paid in such cases and future placements will be blocked to such students.
26. Sharing interview links with other classmates or friends outside the college is strictly prohibited.
27. Once the student is offered by a company, TAP holds no responsibility regarding its job location. Students should be ready to join the company at the location specified by the company.

Name & Signature of the student:

Name & Signature of the parent along with Mb no. :

Section 2: Guidelines for students who Opt out of Placements

Students who are not interested in placements will be given an undertaking form from TAP department which should be duly signed by the student, parents & respective HOD and submit the same to TAP department within the given time. After submitting the form, the student's name will be removed from placement database and he/she will not be eligible for campus recruitment drives.
